MESSAGE FROM OUR LEADER

Dear Pathfinder,

Being a Pathfinder is more than just an activity or experience; it is a lifestyle. It is a way of living. How many stories could we tell others about the blessings received from God while camping, next to a fire or in a camporee!

I am praying for the Clubs and Pathfinders, for this to be an unforgettable, great, encouraging, and dynamic Camporee. Above all, that it may be the beginning of thousands of decisions made for Jesus Christ. I ask you to pray for me also.

Do not forget that we have scheduled meeting. Close to 100,000 campers will be there, and you cannot miss it!

Big hug!

Pr. Udolcy Zukowski

South American Division

Pathfinders and Adventurers Club Ministries Director

ABOUT THE CAMPOREE

DATE AND PLACE

The South American Camporee, **The Best Adventure**, will take place in two editions: Alpha and Omega.

These two editions will have the same program, activities and representatives from all the 16 South American Unions, and some international delegations. To have more information about the place, [click here](#).

Alpha edition: January 8-13, 2019.

Omega Edition: January 15-20, 2019.

PARTICIPANTS

80.000 Pathfinders and 10.000 leaders and pastors from the support teams.

PHILOSOPHY

- Pathfinders are the center. They are the focus of the Camporee;
- The sermon is more important than the program;
- The meetings and programs should be visible for all the Pathfinders;
- Decisions for Jesus are more important than a trophy;
- Administration/Staff and Pathfinders, try to reduce stress as much as possible during the Camporee;
- The activities must make an impression in the life of the pathfinders;
- The points will be 80%, achieved at the local church;
- Creative and relevant events;
- Less competition and more cooperation;
- Food for the support staff follows the same philosophy as the Club's: vegetarian, delicious and natural;
- Encourage and develop creative drills, and formation of drum corps;
- Christian standard for the "Battle cry";
- The Camporee should cause a local impact through community projects and missionaries that make a difference.

CAMPOREE OBJECTIVES

1. Motivate each Pathfinder to live his or her best adventure by following Jesus.
2. Inspire teenagers and leaders for the service of the Lord, preservation of nature and practical services to the community.
3. Provide each participant with the adventure of making new and good friends.
4. Strengthen in the teenager the adventure of being a pathfinder.
5. Make this camp an opportunity to increase the knowledge, the experiences and the exchange of information among clubs from different countries.
6. Create friendship with Pathfinders from the eight countries of the South American Division.
7. Provide clubs with the opportunity to gain experience in an ecological camp, valuing activities such as recycling and renewable energy.
8. Conduct a general evaluation of the all the clubs.
9. Strengthen mental, physical and spiritual capacities through Camporee events and activities.
10. Teach each pathfinder to coexist with other clubs in harmony and without rivalries.
